TO: ALL ILLINOIS INSURANCE PRODUCERS AND ALL CARRIERS OFFERING
HEALTH COVERAGE SUBJECT TO 215 ILCS 5/359b

FROM: MICHAEL T. MCRAITH *MTM*

DATE: DECEMBER 13, 2010

RE: COMPANY BULLETIN 2010-10
STANDARD HEALTH APPLICATIONS

Section 359b of the Illinois Insurance Code (215 ILCS 5/359b) requires all carriers offering health benefit plans in the small group market and all carriers offering individual health insurance coverage in the individual market to use standard health applications beginning January 1, 2011. Pursuant to Section 359b, the Department established a Health Application Working Group to develop two standard health applications: one for use in the individual market, and a standard employee application for use in the small group market. Final versions of the standard applications, as adopted by the Working Group, are attached as Exhibits A and B.

Through this bulletin and accompanying exhibits, the Department provides guidance to carriers on how to comply with the requirements of Section 359b relating to the use of standard health applications. The Department's objective is to allow sufficient time for carriers and insurance producers to prepare for the statute's January 1 effective date, and to ensure individuals and small employers in Illinois receive the full benefits of the standard health applications.

A standard health application submitted in accordance with the Filing Directions outlined in Exhibit D, and accompanied by a properly completed and executed Certification of Compliance (Exhibit C), will be accepted by the Department as satisfying all applicable laws and regulations governing health insurance applications, and will be approved in an expedited manner. This does not preclude subsequent Department action should the certification have been made in error or if the application does not otherwise meet the standards established in this bulletin and accompanying exhibits. If a problem is discovered within a filing after its submission, the certification will not be valid and the filing must then be withdrawn and resubmitted in order to ensure it conforms with Department requirements.

The Department has proposed a rule providing additional guidance for the use of the standard health applications by carriers and insurance producers. *See* 34 Ill. Reg. 15708 (proposed October 15, 2010). Until the proposed rule is adopted, carriers using a standard health application as outlined in this bulletin will be deemed in compliance with the requirements of Section 359b. The certification and approval process outlined in this bulletin will terminate upon adoption of the proposed rule, and will be replaced by the procedures and standards contained therein. The Department will not require standard applications filed and approved pursuant to this bulletin to be re-filed after the proposed rule is adopted, unless otherwise required by the rule.

* If answering "YES" please carefully read the following notice.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT & HEALTH INSURANCE

According to information you have furnished, you intend to lapse or otherwise terminate existing accident and health insurance and replace it with a policy to be issued by the insurance carrier. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

1. Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interests to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the insurance carrier to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.
4. It is recommended that you do not terminate your present contract until you are certain that your application for the new contract has been approved by the insurance carrier.

C Waiver of Coverage

Please complete this section only if **you are waiving (declining) coverage** for yourself or one or more of your family members.

I acknowledge that I have been given the opportunity to apply for group coverage available to me and my dependents through my employer.

I understand and agree:

- ◆ If I am declining coverage for myself, my spouse/domestic partner, or my dependent child(ren) because of other coverage, I may in the future be able to enroll myself, my spouse/domestic partner, or my dependent child(ren) provided that I request enrollment within 31 days after the other coverage ends.
- ◆ If I have a new spouse/domestic partner or child as a result of marriage, birth, adoption, or placement for adoption, I may be able to enroll myself and my new spouse/domestic partner or child provided that I request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.
- ◆ If I decide to request coverage in the future, for a reason other than the termination of other coverage or the addition of a new spouse/domestic partner or child, I may be considered a late enrollee, if applicable, or I may have to wait until the plan’s next open enrollment period. I also understand that as a late enrollee, coverage for preexisting conditions may be excluded for up to a period of 18 months. This period may be offset by the time I, my spouse/domestic partner, or my dependent child(ren) was covered under a qualified health plan.

I certify that I was not pressured, forced, or unfairly induced by my employer, the agent, or the insurer(s) into waiving or declining the group coverage.

I **DO NOT** want, and hereby waive, coverage for (**initial** next to all that apply):

E Current/Prior Coverage Information

Please indicate for EACH person listed on this application any health coverage, including Medicare or Medicaid, in effect within **24 months** prior to the proposed effective date of this coverage. Each person applying for coverage must be listed below. If no health care coverage was in effect within the **past 24 months**, please indicate **NONE**. If coverage is provided for a dependent from a previous marriage or relationship, please attach a copy of the court documentation showing who is responsible for the dependent(s)' health care coverage so that the insurer can determine whose coverage is primary.

Note: If you have had health care coverage within the last 63 days, your Pre-Existing Condition (PEC) waiting period limitation may be partially or completely waived. To determine if this applies to you, you must provide proof of prior coverage, such as a Certificate of Creditable Coverage from your previous insurer. Submission of prior coverage information does not automatically waive any PEC limitation. You will be subject to an automatic PEC Waiting Period of up to 12 months until the insurer receives evidence of prior coverage.

If additional space is required, please attach a separate sheet and be sure to sign and date that sheet.

Exhibit D – Filing Directions

Standard Health Applications

- A. All versions of the standard health applications Exhibit A and Exhibit B must be filed with the Department in accordance with the filing procedures established by 50 Ill. Adm. Code 916. These forms must be attached under the SERFF Form Schedule Section when filed through SERFF.
1. Filings for online versions of the standard health application must include screen shots of every application page that an applicant could encounter when completing the application online, as well as a copy of a sample completed application to be made available for printing or saving by the applicant after submission.
- B. A standard health application must contain verbatim the text of Exhibit A or Exhibit B, and may not vary from the format of Exhibit A or Exhibit B, including with respect to font size, use of bold character and underlining, line spacing, and the order of questions or sections within the application, except that:
1. Online versions of the standard health applications may vary from the format of Exhibit A or Exhibit B to the extent such variation allows an applicant to more easily complete and submit the online application.
 2. A standard health application may not contain logos, addresses, or other carrier-specific information or identifiers, except that the carrier's NAIC number must appear in the bottom right hand corner of each page.
 3. Instruction #4 on page 1 of Exhibit B shall only be included in online versions of the standard health applications.
 4. A carrier's name may be preprinted in one of the six designated spaces for carrier names on page 1 of Exhibit A or page 11 of Exhibit B.
 5. The format of a standard health application filed pursuant to this Bulletin may vary from the format of Exhibit A or Exhibit B in other ways at the discretion of the Director.
- C. Carriers may require applicants to complete, in addition to the standard health application, a separate administrative section as necessary to address plan selection, billing, and other carrier-specific needs related to the application and enrollment process. All such administrative sections must be filed with the Department in accordance with the filing procedures established by 50 Ill. Adm. Code 916. Administrative sections must be filed under a separate form number from the standard health application(s), and must be attached under the SERFF Form Schedule Section when filed through SERFF.
1. Administrative sections may not contain questions that inquire about the health status or health history of any applicant.
 2. Administrative sections may be attached to the front or back of a standard health application, but must constitute a separate and distinct section that may be detached from the standard health application. Administrative sections must contain carrier-specific

logos and addresses to distinguish those sections from the standard health applications.

3. An administrative section need not be filed with the Department under this Bulletin if the entire administrative section has been previously approved by the Department under a unique form filing number (and such approval remains in effect).
- D. A filed application must be accompanied by a properly completed and executed officer's Certification of Compliance (Exhibit C). Exhibit C must be submitted under the SERFF Supporting Documentation Section when filed through SERFF.
1. For multiple company filings it is permissible to submit a single certification for all of the filings, but only if the company officer signing such certification has authority to sign on behalf of all of the companies, and if each company submits its own separate Form Number listing indicated on the Certification.
- E. Once a filing has been received by the Department it is added to our system. This system produces a postcard that is sent to the company verifying that the filing has been received. In addition, SERFF filings will be designated as "Certification Received" in the State Status box in the SERFF filing.
- F. Any filings submitted by CD-ROM must be mailed to the Department's Springfield address for processing:
- Illinois Department of Insurance
LAH Compliance Section
320 W. Washington
Springfield, IL 62767
- G. Companies currently change filings frequently after they are submitted to the Department. This practice will not be allowed under this certification process. No changes may be made to a filing. If a problem has been discovered within a filing after a submission, the certification is not valid and the filing must be withdrawn and resubmitted in order to confirm compliance with the Department's certification requirements.
